

# Call for Abstract Poster Presentation

September 7-9, 2021  
Virtual Conference, Indonesia

## Theme and Topic

### Right to the City

i) the rights to access basic services, healthcare, education, shelter, and employment; ii) gender, child protection, and displacement; iii) governance; iv) urban development agenda, urban governance, and management; and v) transboundary collaboration and cooperation.

### Space and place in the everyday life of refugees and host communities

i) architecture, environment, urban design, and its intersection with forced displacement; ii) geography and spatiality of the forcibly displaced; iii) placemaking, social initiative, integration, and empowerment; iv) identities and place-belonging; and v) technology, big data, and social media as the new space and place.

### Moving forward: beyond resettlement

i) the trend of sustained displacement and how it affects the life of refugee and host community; ii) thinking out loud on the possible solution; iii) the role of inclusive society as a foundation that provides both protection and solution for refugees.
